

Attention All Veterans of our Clayton Community

- This year to honor our Veterans we will have a celebration in our music classes/online zoom classes concurrently.
- We would like to honor the veterans in your family and have them named during our ceremony.
- If you have a **picture**, it would be nice to also share that with the class.
- This will be during your child's music class/zoom on **November 11(C Day), 12(A Day) or 13(B Day), 2020**, depending on when your child attends music.
- If you have a veteran in your family, please help your child **fill out the following information** and memorize it or bring it with them to music class on that day. Please do not send it before that time.

Veteran's Name: _____

Branch of Service: _____

Relationship to the student _____ (uncle, aunt, cousin, etc.)
